

Important Post-Game Traffic Change

An important change has been made to post-game traffic routes that should expedite the flow of vehicles from campus. These changes go into effect immediately.

AFTER THE GAME:

- Traffic on Nicholson Drive will be one-way going south in both lanes, starting from Brightside Drive/West Lee Drive to Bluebonnet.
- Traffic on Burbank Drive will be two-way traffic.

In the past, Burbank was one-way going away from campus and Nicholson Drive was two-way traffic. This change is also important because, beginning in 2008, it is anticipated that Burbank Drive will be closed to all traffic for a period of time due to road construction.
