

## Scholarship Application

### Come Back Kid Award

This scholarship is given to the athletic training student who played an integral part in the treatment, rehabilitation and recovery of a student athlete's injury. The recipient must have become a vital part in the development and implementation the rehabilitation protocol. The injury sustained should have been potentially career ending or season altering for the athlete. The applicant will write a case study of the injury and their role in the rehabilitation process. The certified staff or graduate assistant athletic trainer will write a recommendation in recognition of this athletic training student's achievement. The student athlete involved will write a letter with regards to how the trainer helped them come back from their injury and/or surgery.

Deadline Case study to be turned in by the last day of Spring semester

Cash Award \$1000.00 cash award to be paid for the Fall semester

Notification Recipient notification will be made early in the summer
