

Scholarship Nomination

Tiger Cub Award

This scholarship is given to the incoming "volunteer" athletic training student who acquires the highest binding score on their application process into the Athletic Training Curriculum Program. This student will be a first year athletic training student in our program. They will have met and exceeded all requirements for entrance into the curriculum program. They showed poise and maturity throughout the interview process and have left the staff with the confidence that they will continue to represent our program with dignity and class.

Application No application necessary

Award \$1500.00 cash award to be paid for the Fall semester

Notification Recipient will be notified early in the summer along with notification of their acceptance into the Athletic Training Program.

Athletic Training Student Recipient : _____
