2017 Florida Football Postgame Quotes

Jim McElwain, Florida Head Coach

Florida 16, LSU 17

October 7, 2017

Opening Statement:

"When we go back the difference in the game, it was third downs. There is no denying that at all. We got beat in the shifts and motions. Our guys played hard and gave us an opportunity to win the game and we didn't. For this Gator team it hurts. They should hurt. We need to lay this one to rest and come back and prepare for a talented group coming in next week."

On extra point miss

"It looked like a bad snap. I didn't see the replay. This is why they don't give you the automatic point."

On last series

"We held one timeout. A sense of urgency is pretty obvious. We just didn't have it there."

On jet sweeps

"We didn't fill the alley. We didn't hold the point. Based on the alignment, it looked like they had a little piece of a check. Let's take it, if not we will go the other way. That's their staple and we didn't stop it."

On deflation from the extra point

"The defense responded. We just came up empty on two series of offense. The way they were snapping the ball late in the shot clock we knew our possessions were limited. We had to make something happen on those and we didn't."

On difference in the running game in third quarter

"You know the guys blocked them. That's really what it was. My hat's off to LSU they took things away and we didn't answer"

On game being a tough one to swallow

"It hurts and it's a tough one to swallow. We knew they were going to come in with everything they had and they did. That's what good teams do when their backs are against the wall, especially when they have good players. I thought it was a clean physical battle. Both teams played hard. They controlled time of possession, won on third down and didn't turn the ball over. Ultimately in doing so, they came out successful and they physically took it to us pretty good."

Redshirt Freshman QB Feleipe Franks

On the team being defined by close games

"We have a long season ahead of us and I don't think you can let one or two losses define us. This one loss right here, you can't let it define you. We've got a long season ahead of us and we're going to go prepare for the [Texas A&M] Aggies this week and get ready to have some fun on Saturday."

On the run game after Brett Heggie was taken out with a concussion

"Brett is one of the toughest guys I know, a super good kid, really tough guy. Unfortunately, he got hurt and Tyler [Jordan] hopped right back in, a really good guy as well, a competitor and he just hopped right in and filled his role. Coach [McElwain] preaches next man up, you've got to be ready at all times because you just never know."

On if he was a beat too slow on his pass to Brandon Powell on the final offensive play

"I don't think I can sit up here and be critical on could've done this, could've done that. Could have, would have, I don't think we're going to play the guessing game so to say. We're going to get the film watched, our guys are going to improve and we're only going to go up from here, it's just a learning process. We'll learn from it get it smoothed out and be ready for the Aggies."

On how crushing it is to lose by one point at home

"It's obviously not what you want to do. You don't want to lose a game period, but definitely not at home, especially with the great crowd we had tonight. It is a stepping stone. Like I said, just get it all smoothed out and come out ready next week."

On the offense rallying in the third quarter after going down 17-3

"That's a testament to the line. They work their butts off all throughout the week and they really showed up when we needed it. We needed a drive and they went and got it, got the ball back and we went and got it again. It's a really good job by them, especially having the tempo with those two drives and it really worked out well for us."

On the never quit mentality

"Our guys never give up. Our O-line always has the energy, running backs, tight ends, receivers, they've always got energy. Even in the Tennessee game, even in this game right here, there's not one point when we get down. When we're down a score or two and it's starting to get out of hand, the guys just find a way. They're really good competitors, some of the best I've ever been around and they always find a way. Unfortunately, we came up short tonight, but we definitely got ourselves back in the game."

Junior OL Martez Ivey

On Third and Fourth Down conversions

"It comes down to communication. That's all it is, communication. We have to execute. Some things went our way and some things didn't go our way. That's just the game of football."

On missed extra point

"We still had a chance to win the game. We don't blame anybody."

Mood of the locker room

"It hurts. I'm hurt. But it also shows how much we care. Everybody is going to be juiced up ready for our next opponents. We still control our own destiny."

Sophomore RB Lamical Perine

On lack on urgency on last drive

"I just feel like we didn't get out and get the play call real fast. And probably this week, we just got to really get better at that because that can cost us a lot of games. Looking forward, we got to get better at that."

On leftover emotion from last season's game

"I just feel like we have to learn from our mistakes, more than anything. Coming into the game, there are a lot of people who feel like it was a real big game. But, coming into the second half, we just had to calm down and play football and execute."

On Tyler Jordan stepping up after Heggie's injury

"Coach Davis, in practice, he rotates Tyler around at tackle, guard, center, so he was ready for that situation."

On rushing touchdowns

"Credit to my offensive line—that is what I'm always going to do. Malik Davis had a good drive—he's a good running back as well. I mean, I credit my offensive line for that job and getting those touchdowns."

On locker room after game

"A lot of sad faces because we put in so much work and so much extra time. It's a disappointment when you put in all that work and you lose."

Redshirt Junior DL Khairi Clark

Opening Statement

"This one was a tough one to swallow. As a whole unit today, we didn't come out and play to our level of football and we shouldn't be doing that. We should be playing to a higher level, and we need to try to be better than what we were going against."

On missed extra point being tough to swallow after comeback

"Yeah it is. It's very tough because you know this a SEC game, and you know LSU, they're a big matchup. It just sucks getting this loss, man, as a unit."

On third down execution

"That was a big issue. We weren't stopping them on third down, and that's on us as a defense. We always have to execute from first to fourth down. Third down is a main part of the game because you can get them off the field."

On injuries and young guys holding their own

"I mean it was very encouraging, you know, because we do have a lot of young guys, and a lot of them had to step up and play some big roles in this game. That's awesome that they came in and helped us, but we didn't get it done as a whole."

Sophomore DB Chauncey Gardner

On adjusting to LSU offense

"It was simple. It went much better. The offense changed ... shifts in motion. They had a lot of shifts, drop motion just beat you off the game. But, we were on it, you know. Toward the end, you just know it's coming. You've just gotta play your game, stay in your gaps, stay in your fits because that's all it was. They weren't doing too much to throw us off because you see, they didn't score, and it was it is."

On jet sweeps

"He was really prepping us for the week coming up and the read-option team. But they just executed their game plan. They're a good team and we're a good team, too. We've just gotta move forward from this and keep playing ball."

On Nick Washington's injury and freshman stepping up

"That's what we were supposed to do. Like I said, you're not young any more. Like coach said, 'Hey, next man up. Just go out there and don't worry about what you've gotta do. Just go out there and have fun.' It's just a bigger crowd; nothing new for them."

2017 Florida Football Postgame Quotes

Ed Orgeron, LSU Head Coach

Florida 16, LSU 17

October 7, 2017

Opening Statement

"I'm just proud of our football team and proud of our coaching staff. The leadership this week, as you all know it was a tough week, our guys showed resiliency and blocked out the noise. We believed in each other and got back to work."

"Our coaching staff did a tremendous job coming up with an outstanding game plan and we got back to playing Tiger football. Our defense was resilient and we came up with the plays when we needed to. We were physical at the point of attack and for that, I'm most proud of our football team because this was a complete team win. We knew it was going to come down to any play and I'm proud of this team."

On team's perseverance

"I'm so proud of our team, no one blinked. We lost three offensive linemen in the first half and we had freshmen going in there who didn't have a lot of experience. We didn't blink and we weren't going to. This team made the decision on Monday that they were going to win this football game under any conditions and we did that."

On what this win means moving forward

"It shows what this football team can be, but we have to pay attention to the details. It all starts with leadership and practice. It starts with playing within our identity, which is playing with true grit and physical toughness to not be denied. I was in our meetings all week and they were not going to be denied."

Sophomore Linebacker Devin White

On the last series:

"Coach told us to go out there and play with a lot of grit. For me, that's the kind of situation I want to be in. As the game gets tougher, I make bigger plays. I had a missed tackle on a screen previously and I just wanted to go out there and make some plays."

On defense's mindset:

"Our (defense) whole thing was about getting the defense lined up and coming down and striking because we knew they (Florida) were a power team that wanted to hit us (LSU) in the mouth and we just had to respond."

On final play:

"Coach called a zone defense and we dropped eight back and rushed three. I saw Feliepe Franks' eyes. He tried to throw the ball behind me and I jumped up and got it."

On the week preparing for Florida:

"Practice was very intense and we had a lot of leaders come out and speak up. Practice was tough because people said we weren't physical, so Coach (Orgeron) wanted to get us back to that physicality so practice was all about that."

Junior Tight End Foster Moreau

On the team's performance:

"I'm super proud of this offense, defense and special teams. We had three offensive linemen go down, but as Coach Orgeron says, "Next Man Up." We don't quit. Three guys stepped up and we came back."

On this win:

"We needed this win. This is the perfect week for us. This was the week where we could build something and find leadership."

On the team's defense:

"Wow. Just a great game all-around by the players and the coaches. That was all heart you saw out there today. That's what we were trying to show tonight."
